A: I'm worried about something.

B: What's that?

A: Well, I have to drive to school for a meeting this morning, and I'm going to end up getting stuck in rush-hour traffic.

B: That's annoying, but nothing to worry about. *Just breathe deeply when you feel yourself getting upset.*

A: Ok, I'll try that.

B: Is there anything else bothering you?

A: Just one more thing. A school called me this morning to see if I could teach a few classes this weekend and I don't know what to do.

B: Do you have any other plans this weekend?

A: I'm supposed to work on a paper that'd due on Monday.

B: *Try not to take on more than you can handle.*

A: You're right. I probably should just work on my paper. Thanks!
